

THE JENT WAY

how our family boards work — so we all stick to it

1

Every day — the anchors

Read, journal, and get outside or move. Just who we are — **no pay, no excuses.**

2

Own your week — school

You arrange your own subjects onto the days that work for you. Your schedule, your responsibility.

3

The Job — real projects that earn

Your projects have steps. Check off each step as you finish it. Finish the whole project → **earn JENT Bucks.** Finish what you start.

4

JENT Bucks — our family money (10 Bucks = \$1)

YOU EARN BY

- Finishing a project
- Doing a chore **+5**
- Mom & Dad bonus

YOU SPEND ON

- Cash out **10 = \$1**
- Screen time **10 = 30 min**
- A wish (movie, treat, outing)

The rule: tap to buy → Mom or Dad says **yes** → it's yours. **Nothing without a yes.**

5

Every Friday — reflect & keep your streak

Write your reflection every week. Weeks in a row = your **Streak**. Keep the chain going: **4 in a row = +20 Bucks · 10 = +50 · 20 = +100.**

WEEKEND · SATURDAY & SUNDAY

Rest, family & reward. No school. Keep it light — read for fun and get outside; the full anchors and journaling take a break. Projects are optional. Mostly, weekends are for family and **enjoying what you earned** — cash out, screen time, a movie night or an outing. You worked all week; now enjoy it.
